RATES

We accept CASH or CHECK only

# Cans/Bags	Total	
1	\$11.00	First Can or Large Bag: \$11.00
2	\$14.50	
3	\$18.00	Each additional Can/Bag: \$3.50
4	\$21.50	
5	\$25.00	
6	\$28.50	Unsecured Load Fee: \$5.00-\$10.00
7	\$32.00	
8	\$35.50	
9	\$39.00	
10	\$42.50	

Rates are based upon a 32 gallon can or bag, about 40-50 pounds each. Loose loads will be interpreted to accommodate the "per can" fees. Rates include a base fee of \$7.24 per vehicle and 3.6% refuse (solid waste) tax.

CONSTRUCTION, DEMO, METAL, YARD WASTE & LARGE ITEMS

Limited quantities of construction, demo, metal, and yard waste are accepted at this site. We cannot accept items greater than 4 feet in length. Attendants may refer these types of material to the Coupeville Solid Waste Complex or suggest other disposal options.

HOUSEHOLD HAZARDOUS WASTE

Household hazardous waste is accepted free of charge. Antifreeze, gasoline, oil-based paints, fertilizers, pesticides, acids, bases, fluorescent bulbs, lead, PBC ballasts, propane tanks, mercury devices, etc. Notify the site attendant if you have hazardous waste.

LATEX/ACRYLIC PAINT

Latex/acrylic paint is accepted as household garbage when thickened to a non-pourable consistency. Attendant may refer large quantities to the Coupeville Solid Waste Complex. Notify the site attendant if you have any paint. See *Other Disposal Options* for disposal of usable latex paint.

RECYCLING

Aluminum: Rinse cans, clean foil and pans

Batteries: Tape exposed terminals on dry cell batteries

Cardboard: Flattened corrugated cardboard, clean pizza boxes, Brown paper bags

Cell Phones: Place in plastic bag and recycle with household batteries

Clothing: Place in the blue Northwest Center container

E-Cycle: Televisions, monitors, computers, laptops, tablets portable DVD players and eReaders

Glass Bottles & Jars: Rinse & remove lids, sort by color

Mixed Paper: Magazines, catalogs, flattened box board (e.g., cereal & soda boxes), junk mail, phone books, egg cartons, office paper, wrapping paper, glue bound paperback books, shredded paper (in bags to keep them contained)

Newspaper: Newspapers and inserts, news print flyers and publications, news print packing paper

Oil, Motor or Cooking: See attendant

Plastic: Bottles, jugs & dairy tubs, plastic is not accepted according to the recycle number, no lids

Steel Cans: Rinse and remove label

Paper plates

Paper towels

Juice boxes

Paper milk cartons

Waxed cardboard

Dirty cardboard

Toilet tissue

Facial tissue

Lids Ribbon

Plastic hangers

Crinkly plastics

Deli containers

Meat trays

Plastic bags

Styrofoam

Light bulbs

Mirrors

Dishes

Window glass

Drinking glasses

SECURE YOUR LOAD FOR SAFER ROADS.... IT'S THE LAW!

EXAMPLES OF SECURED LOADS

Netting, straps, rope, and bungee cord can be used to tie each large item to the vehicle. Since there is nothing in the load that can blow out, a cover is not needed.

Garbage cans are secured to the truck with a strap. Lids are secured with bungee cords.

Tarp covers the entire load and is secured with cargo netting.

INADEQUATELY SECURED LOADS

Tie downs are missing. Debris can fall or fly out of moving vehicle. Load should be covered with tarp and cargo net.

Tie downs are inadequate. Top, sides and back of load is not secure. Vehicle is overloaded. Load should be secured with straps and/or cargo net.

Debris can fall or fly out. Load should be secured to the trailer with rope, netting and/or straps.

FACTS

- ◆ Roughly 40 percent of litter on highways comes from unsecured loads.
- ◆ It is estimated that road litter causes 25,000 accidents in North America each year, nearly 100 of which are fatal.
- ◆ Every year, road debris causes about 400 accidents on Washington State highways.
- ◆ 40 percent of the litter-related violations issued by Washington State Patrol in 2007 were for a failure to secure a load; 21 percent were issued for debris escaping from those loads.
- ◆ More than 12 million pounds of litter comes from vehicles each year in Washington State.

WASHINGTON STATE FINES

- ◆ \$216 fine for transporting an unsecured load.
- ◆ Up to \$5,000 fine with potential for jail time if an item falls off the vehicle and causes property damage or bodily injury.
- ◆ \$103 fine for a small thing like a piece of paper. Up to \$5,000 for bigger items such as furniture.

HOW TO SECURE YOUR LOAD

- ◆ **Tie down.** Use rope, bungee cords, netting or straps. Tie larger items directly to your vehicle.
- ◆ **Lighter goes lower.** Put lighter items at the bottom of the load, and weigh them down so they don't blow out.
- ◆ **Don't overload.** Keep material level with truck bed or trailer if at all possible.
- ◆ **Double-check.** Always double-check your load. Ask yourself, "Would I feel safe driving behind my vehicle? If the answer is, "No," then you need to do a better job of securing your load.

MATERIALS TO SECURE YOUR LOAD

Tarps, netting, ropes, straps, chains, bungee cords, and cargo bar.

OTHER DISPOSAL OPTIONS

Residential and Commercial Collection

Island Disposal, Inc., 678-5701 or 321-1331
City of Oak Harbor, 240-6443 or 240-6444

Building Material (usable)

BaRC Re-tail, Coupeville, 682-5452

Asbestos

Northwest Clean Air Agency, 360-428-1617

Concrete

Concrete Nor'west, 675-2626

Concrete & Asphalt

Lakeside Industries, 293-2168
Rempel Bros., 678-4622,
Krieg Construction, 679-4151

Electronics - Televisions, Monitors, Computers, Laptops, Tablets & eReaders

Island Recycling, 331-1727
Coupeville Solid Waste Complex, Recycle Center, 678-7478
